

T & C

We aim to offer the best standard of care for your dog based on the details you have given us.

We recommend a pre boarding visit so that we can be sure they will be happy with us and vice versa.

Your dog must be sociable towards other dogs.

All vaccinations are to be up to date and the record produced upon arrival.

Your dog must be free from worms, ticks and fleas.

Walks are on a lead unless permission is given for your dog to run off-lead in our fields.

You must supply sufficient food and medication (if required) for the duration of the stay.

In the event that your dog became ill he/she would be taken to your Vet if within a 10 mile radius or if not our Vet.

The owner will be responsible for all veterinary fees. Every endeavour will be made to contact the owner prior to treatment.

We reserve the right not to take any dog that is unwell as we cannot put other dogs at risk.

All medical conditions must be declared on the booking form.

We will provide clean ,comfortable bedding and feed bowls or if you wish you can bring your own.

A detailed booking form will be forwarded which is to be returned with a deposit of 50% to secure a stay.

Any questions please call or e mail.
